NOTICE OF FINAL SETTLEMENT.

Notice is hereby given that the undersigned Administrator of the estate of Sally Barker, deceased, will make final settlement of his accounts with said estate as such Administrator, at the next term of the Probate Court of Taney County, Missouri, to be held at the court house in Forsyth, in said county on the 17th day of August, 1911.

THE QUESTION OF COST.

The careful business man always counts the cost and estimates the benefits of every business enterprise. Applying this method to the proposition to rebuild the state capitol, to be voted on August 1, what do we find? The tax rate being 2 cents on the \$100 assessed valuation, the following table will give the cost to you:

Assd. Val.	Per Year.	Possible	10 Years.	13 Years.
\$100,000	\$0.02	\$0.20	\$2.00	\$2.60
500,000	.10	1.00	10.00	13.00
1,000,000	.20	2.00	20.00	26.00
2,000,000	.40	4.00	40.00	52.00
4,000,000	.80	8.00	80.00	104.00

When you consider that your property is only assessed at one-third of its value, you can see that the probable total cost to you will be very small, while the limit of the possible cost is not burdensome at all. A man worth \$25,000 will not have to pay more than \$1.60 capitol tax per year, while the man whose assessment foots up \$1,000 is only out 20 cents per year, the price of a couple of good cigars.

What about the benefits? The new capitol provides rooms for the state offices; a meeting place for the legislature; safe fire-proof vaults for the records of the state; and a building that is your capitol home in which you have an interest and to which you can point with patriotic pride. The adoption of the proposition by a large two-thirds majority would advertise the state most favorably abroad, stamp us as a live, progressive people, attract the attention of homeseekers and give a general impetus to every business interest.

The cost is small; the benefits are great. It's a wise investment; lend your influence to the end that it may be made August 1st.

TO SHOW THE WORLD.

The Holden Progress aptly says that heretofore Missourians have demanded that the world "show us." The burning of the state capitol turned the tables, and now we've got to "show the world" that we are the greatest, the richest and most progressive state in the west, and a splendid new capitol will give us an opportunity to make the world "sit up and take notice." The Progress is right, and such a showing as we will give 'em will be worth much to Missouri—it's just the kind of advertising we most need just now.
